Waiting Period – Employees who are eligible for dental benefits are covered on the date of hire

There is a 12-month waiting period for certain services. Endodontic Services, Periodontic Services, Other Oral Surgery, Major Restorative Services, and Prosthodontic Services will not be covered until after a person is enrolled in the dental plan for 12 consecutive months. For the initial enrollment only, the waiting period(s) can be waived for enrollees covered for at least 12 months under the immediately preceding dental plan.

Eligible People – All full-time employees of the Contractor that work 30 hours per week or more who choose the dental plan and COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) enrollees, if applicable. The Subscriber pays the full cost of this plan.

Also eligible are your legal spouse and your children to the end of the calendar year in which they turn 26, including your children who are married, who no longer live with you, who are not your dependents for Federal income tax purposes, and/or who are not permanently disabled and your domestic partner as defined by the contractor. You and your eligible dependents must enroll for a minimum of 12 months. If coverage is terminated after 12 months, you may not re-enroll prior to the open enrollment that occurs at least 12 months from the date of termination. Your dependents may only enroll if you are enrolled (except under COBRA) and must be enrolled in the same plan as you. Plan changes are only allowed during open enrollment periods, except that an election may be revoked or changed at any time if the change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

If you and your spouse are both eligible for coverage under this Contract, you may be enrolled together on one application or separately on individual applications, but not both. Your dependent children may only be enrolled on one application. Delta Dental will not coordinate benefits if you and your spouse are both covered under this Contract.

Benefits will cease on the date of termination.
