

The Cardholder Experience

Get acquainted with the benefits of the Fintwist digital payments solution.

Card Features

With Fintwist, you can have your wages direct deposited to your card every payday! Your Fintwist card is yours, not your employer's, even if you leave your job. You can set up paychecks from your next job to be direct deposited to your Fintwist card with your account numbers.

With Fintwist, you'll enjoy features like:

- Free in-network ATMs
- Free text and email alerts*
- Loyalty and rewards programs
- 24/7/365 phone support
- Access to online shopping and payments

Mobile App Features

- See what you spend
- Know when you get paid
- Restrict your card if it's lost
- Send money to anyone
- Pay your bills

Download the Fintwist mobile app in the App Store or in the Google Play store.

Online Shopping

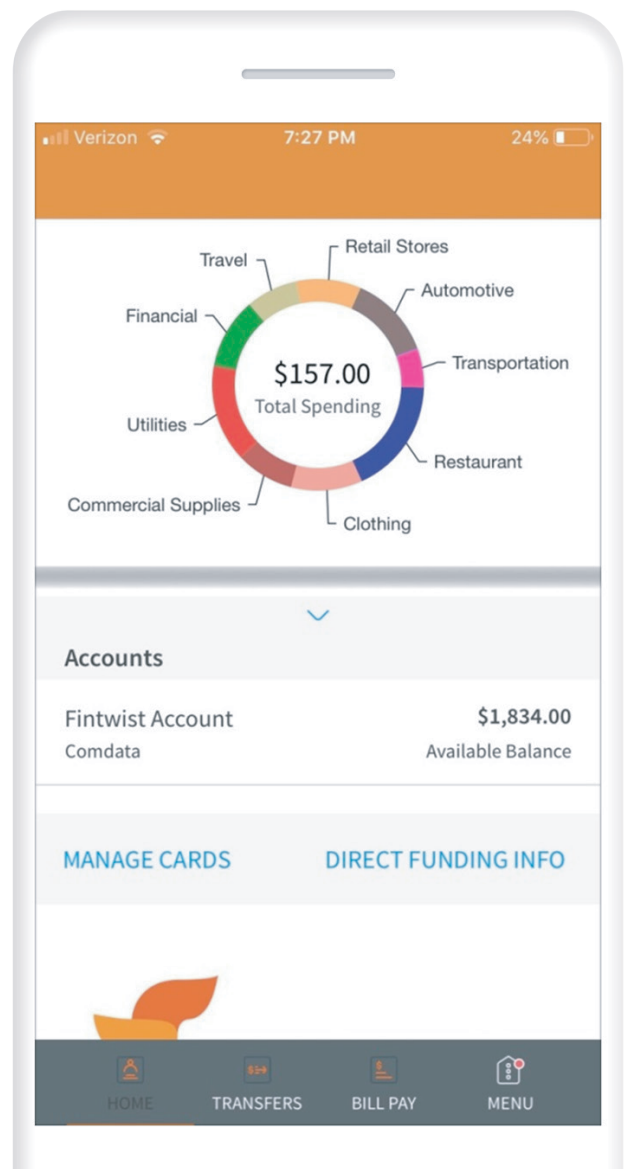

There are something things cash can't do. With Fintwist, you can enjoy modern conveniences such as:

- Online shopping
- Renting a car
- Booking a flight or hotel online

Your card works with apps and subscriptions like:

*Standard data and text messaging rates from your wireless provider may apply

Your Money — **Whenever You Want It**

You can access Fintwist anytime – by phone or by web. Fintwist puts you in full control of your money from the comfort and ease of your smartphone.

Connect With Us Online

Monitor and manage your Fintwist Payroll Mastercard® account without breaking a sweat. Register on our online self-service website, www.fintwistsolutions.com. You can access your account, suspend and unsuspend your card, transfer money from your card to a bank account and sign up for exclusive benefits for Fintwist payroll cardholders.

Use the App For When You're On the Go

Download the free Fintwist Mobile App from the Apple® or Android® app stores and in no time you'll be managing your pay on the go. Check your spending, pay bills, locate surcharge-free ATMs or even send payments to friends and family right from your mobile device.

Sign Up For Helpful Text Alerts

Want instant confirmation of your transactions and balance? Sign up for text alerts to receive a message each time your card is used or loaded with funds. Each text message will also include your current card balance. Sign up for alerts when activating your card, or at www.fintwistsolutions.com.

Note: Bill Pay and P2P features are not available in all states.
